

Professor Panagiotis Trivellas  
Director of the Organizational Innovation and Management Systems  
(ORIMAS) laboratory

Email: [ptrivel@aua.gr](mailto:ptrivel@aua.gr)

Dr Panagiotis Trivellas (M) is Professor of Strategic Management at the Department of Agribusiness & Supply Chain Management in Agricultural University of Athens (AUA), and Director of the Organizational Innovation and Management Systems (ORIMAS) laboratory, Greece. He holds a Dipl-Ing degree in Chemical Engineering and a Ph.D. degree in strategic management styles (National Technical University of Athens-NTUA). He has been awarded with a patent (OBI no. 1010524/10-8-2023: Hellenic Industrial Property Organisation) for an integrated decision-making tool (Innovative Air Network Optimization System/IANOS-DSS), which synthesizes the requirements and constraints of the core stakeholders (in remote and isolated communities served by Public Service Obligation/PSO routes via a cocreation method), in order to optimize and increase the coherence of the PSO route network, maximizing social & economic impacts and reducing the environmental footprint. He has more than 20 years of teaching experience in undergraduate and postgraduate studies (traditional and distance learning). He has been involved as scientific coordinator or head researcher in more than twenty research projects in the fields of Organizational Behaviour, Sustainability, Supply Chain Management, HRM, Multi-actor multi-criteria analysis, e-training, Work-Life Balance, Quality of Life and skills & competencies. He has published more than 90 research papers in academic journals and international conferences. His core research interests focus on the areas of Sustainability, Supply Chain Management, Social resilience, CSR, Organizational Behaviour, HRM, Innovation, Strategic Management, e-learning and Quality in Higher Education.
