

A. PERSONAL INFORMATION

Name: Spyridon
Surname: Kaloudis
Eco. Status: Married, with one child
e-mail: kaloudis@aua.gr
Tel.: +30 22370-25063,
+30 6972694587

Current position: Faculty Member (Professor), Director of the Laboratory of "Forest Ecosystem Management and Forest Spatial Informatics" at the Department of Forestry and Natural Environment Management of the School of Plant Sciences of the Agricultural University of Athens.

B. STUDIES

B.1 UNIVERSITY EDUCATION

- **Ph.D.:** Agricultural University of Athens, General Department, Computer Science Laboratory. PhD Thesis Topic: "Decision Support System for the Management of Forest Ecosystems Based on Geographic and Knowledge Systems".
- **Postgraduate Diploma:** National and Kapodistrian University of Athens, School of Sciences, Department of Physics. "Master's Degree in Environmental Physics".
- **Degree:** Aristotle University of Thessaloniki, School of Geotechnical Sciences, Department of Forestry and Natural Environment.

B.2 RESEARCH INTERESTS

- Management of Forest Ecosystems using Geographic and Knowledge Systems.
- Applications of Geographic Information Systems and Artificial Intelligence methods in the scientific field of Forestry and the Environment in general.
- E-commerce of forest products.

C. WRITING ACTIVITY

C.1 DISSERTATIONS

- Kaloudis, S., T., 2008. "Decision Support System for the Management of Forest Ecosystems Based on Geographic and Knowledge Systems". PhD Thesis, Agricultural University of Athens, General Department, Laboratory of Informatics, Athens, p. 210.
- Kaloudis, S., 1997. "Study of Water Balance Components in the Athens Area". Master's Thesis in Environmental Physics, National and Kapodistrian University of Athens, School of Sciences, Department of Physics, Athens, p. 115.
- Kaloudis, S., Patsi, V., Tsomi, K., 1982. "Qualitative and Quantitative Situation of the Forest Areas of the Prefecture of Attica After the Fires of the Years 1974 - 1979". BSc

thesis, Aristotle University of Thessaloniki, School of Geotechnical Sciences, Department of Forestry and Natural Environment, p. 88.

C.2 PUBLICATIONS IN JOURNALS

D. EVALUATOR OF RESEARCH PUBLICATIONS

D.1 IN INTERNATIONAL SCIENTIFIC JOURNALS

- Ecological Informatics, Elsevier (ECOINF).
- Journal of Environmental Management, Elsevier (JEMA).
- Computers and Electronics in Agriculture, Elsevier (COMPAG).
- Operational Research an International Journal (ORIJ).
- International Journal of Agricultural and Environmental Information Systems, IGI Global, (IJAEIS)

D.2 IN INTERNATIONAL SCIENTIFIC CONFERENCES

- Third International Congress on Information and Communication Technologies in Agriculture, Food, Forestry and Environment (ITAFFE'10), June 14-18 2010, Samsun, Turkey.
- Fourth International conference on Information & Communication Technologies in Bio & Earth Sciences. Hellenic Association of Information and Communication Technology in Agriculture, Food and Environment (HAICTA) Athens Greece 2008.
- Computational Science and Its Applications – ICCSA 2013 13th International Conference Ho Chi Minh City, Vietnam, June 24-27, 2013 Proceedings.
- 2017 EFITA WCC CONGRESS, Use of ICT in the Agri-Food Sector, Bioresource and Biomass Sector, with World Congress on Computers in Agriculture. Montpellier, France – July 2-6.

D.3 IN BOOKS

- E-Agriculture and Rural Development Global Innovation and Future Prospects.

D.4 IN RESEARCH PROJECTS

- EPEAEK: "Human Resources Development, Education and Lifelong Learning".

D.5 PARTICIPATION IN ELECTORAL COLLEGES.

- Participation in Electoral Bodies of the Department of Forestry and D.F.P. of AUA
- Participation in Electoral Bodies of other Universities and the Hellenic Agricultural Organization "Dimitra",

E. PARTICIPATION IN JOURNAL AND CONFERENCE COMMITTEES

- Συνεργάτης συντάκτη στο περιοδικό: International Journal of Agricultural and

Environmental Information Systems (IJAEIS), Information Resources Management Association.

- Συμμετοχή στη Επιτροπή Προγράμματος του Διεθνούς Επιστημονικού Συνεδρίου AEIDSS 2013. 1st International Workshop on Agricultural and Environmental Information and Decision Support Systems, June 24-27, 2013, in Ho Chi Minh City, Vietnam.
- Participation in the Program Committee of the International Scientific Conference ISQLIS 2011: 2nd Workshop Informatics & Intelligent Systems Applications for Quality of Life information services, Sept. 15–18 Sept. 2011. Corfu Greece.
- Participation in the Organizing Committee of the "Winter School for Young Researchers" 2011. The School was organized by the European Confederation in Agriculture, Food and the Environment (EFITA) in collaboration with the Technological Educational Institute of Lamia, the Democritus University of Thrace, the Agricultural University of Athens and took place from March 31 to April 3, 2011 at the premises of the Department of Forestry and Forestry of the TEI of Central Greece, former Lamia, in Karpenisi.

F. PARTICIPATION IN PROGRAMS

- “Integrated Technological and Information Platform for wildfire Management” (Silvanus). Program duration 1 October 2021 to 31 March 2025, funded by the European Union (Horizon 2020). The Programme aims to provide an environmentally sustainable and climate-resilient forest management platform through innovative capabilities for preventing and responding to forest fires, as well as restoring damaged ecosystems. The platform incorporates advanced technologies for the systematic classification of knowledge related to forest management and resource utilization. The project integrates a range of sensor and automation technologies using innovative wireless communication infrastructure through the coordination of aerial vehicles and ground robots.
- «Agroforestry that Will Advance Rural Development (AGFORWARD)», with ref. No. FP7 613520, funded by the European Union. Participation in the project included: Mapping and analysis of geographical data of the study areas,
- "Contribution of Oak Silvopasture Ecosystems of Western Greece to Local Development and the Environment" of the act entitled "Archimedes III – Strengthening Research Teams at the Technological Educational Institute of Lamia" and code MIS 380360.
- COST Action CA22141 - Integrated Decision Support Systems for the Delivery of Ecosystem Services Based on EU Forest Policies (DSS4ES).
- COST Action FP1304 Towards robust projections of European forests under climate change (PROFOUND).
- COST Action FP0804 Forest Management Decision Support Systems (FORSYS).
- "A Multilingual Cooperative of Learning Object Warehouses for the Education of European Youth on Organic Agriculture and Agroecology" and duration of participation from 1/11/2008 to 30/6/2009. The project concerned the creation of educational material, in electronic form, on Organic Agriculture and Agroecology. The funding was made by the European Union and had international participation of researchers.
- "Pilot System of Electronic Rural Services" of the EPEAEK II program "PYTHAGORAS: Support of Research Teams at the Agricultural University of Athens"

and duration of participation from 1/10/2004 to 30/4/2005 and from 1/4/2006 to 31/8/2006. The project concerned the development of an information system for the online access of farmers to electronic services for processing their transactions with stakeholders of the agricultural sector through a single access point. Within the framework of the project, the sectors of Forestry, Sericulture, Beekeeping and Horticulture were studied.

- "Internship for TEI of Lamia Students" with MIS code 299973 implemented within the framework of the Operational Program
- "Education and Lifelong Learning" (NSRF 2007-2013) and is co-funded by the European Union (European Social Fund) and National Resources. Contractual project, Scientific Coordinator of the Department of Forestry and PPP on: Student placements in Internship positions, Monitoring and supervision of trainee students, Organization and operation of the Act, Evaluation and improvement of the process, Publicity and dissemination of the results of the operation, Evaluation and improvement of the process. Duration of the first Contract 1-2-2012 until today.
- "Undergraduate Programs of Studies of the TEI of Lamia - Environment" of the Operational Program of Education and Initial Vocational Training (EPEAEK II), of the Third Community Support Framework (CSF III). Participate in the following work packages:
 - Market research for graduates of the Forestry Departments.
 - The educational organization of the theoretical part of mixed and pure courses.
 - The supply and development of teaching material and teaching aids for laboratory exercises.
 - The development of innovative teaching aids for laboratories.
 - The evaluation of the new curriculum and laboratory exercises.
- "Upgrading of the Curriculum of the Departments of Forestry of Karditsa (T.E.I. of Larissa) and Karpenisi (T.E.I. OF LAMIA)", of the Second CSF and for the period from 01/11/1997 to 31/12/1998, and from 1/4/1999 to 31/12/1999, one year and eleven months, with remuneration. Participation as an external partner:
 - Market research for graduates of the Forestry Departments.
 - The educational organization of the theoretical part of mixed and pure courses.
 - The supply and development of teaching material and teaching aids for laboratory exercises.
 - The development of innovative teaching aids for laboratories.
 - The evaluation of the new curriculum and laboratory exercises.
- Programme title "Support of Multiple Bibliography at the TEI of Lamia", of the Operational Programme for Education and Initial Vocational Training (EPEAEK I), of the Second Community Support Framework (CSF II). In particular, I participated in the work packages T4-F1-WP1, in the drafting of the final reform of the DPS, as the person in charge of the package Electronic Database of Educational Material of the TEI of Lamia and in solving operational problems of the equipment of the Karpenisi Branch.
 - WP1: Development and adaptation Electronic

Educational material (educational multimedia material).

- WP2: Introduction, development and use of new ways and means of teaching provision.
- WP3: Enhancement of knowledge of IT skills.
- WP4: Introduction of a group of specialized Computer Science courses.
- WP6: Activity 6.1: Publicity - Promotion: Reform and development of the Department's website.

G.2 EDUCATIONAL EXPERIENCE

G.2.1 TEACHING EXPERIENCE IN UNDERGRADUATE PROGRAMS OF STUDY

- **Agricultural University of Athens 29/1/2019 to date:**
 - Department of Forestry and PPP.
 - General Department.
 - Curriculum of Forestry and PPP
- **Technological Educational Institute of Central Greece, Department of Forestry and Teaching Staff:** From 1/9/1994 to 28/1/2019, permanent regular member of the Teaching Staff at the Karpenisi Branch, of the Department of Forestry and Natural Environment Management of the Technological Educational Institute of Central Greece, former Technological Educational Institute of Lamia and for a short time at the Technological Educational Institute of Messolonghi.

G.2.2 TEACHING EXPERIENCE IN POSTGRADUATE PROGRAMS OF STUDY

- MSc "Ecology and Environmental Management". Technological Educational Institute of Central Greece, Department of Forestry and PPP.
- MSc "Ecology and Environmental Management". Agricultural University of Athens, General Department.
- MSc: "Cadastre: Legal, Technical and Environmental Dimensions". Interdepartmental program, Departments of Law, Rural and Surveying Engineering, Forestry and Natural Environment, Aristotle University of Thessaloniki.

G.2.3 ORGANIZATION / TEACHING OF COURSES IN UNDERGRADUATE PROGRAMS

1. Natural Ecosystem Management
2. Forest Ecosystem Management
3. Geographic Information Systems
4. Computer Applications
5. Forest Economics and Appraisal
6. Biometrics
7. Dendrometry

G.2.4 ORGANIZATION/TEACHING OF COURSES IN POSTGRADUATE PROGRAMS

- MSc "Ecology and Environmental Management"
 - Research Tools and Methodology in Environmental Sciences:
 - 111 Experiment Design and Biostatistics, Writing a scientific paper
 - 112 Geoinformatics.
 - Environment management:
 - 211 Management of natural terrestrial ecosystems
 - 241 Environmental crisis and disaster management.
- MSc "Cadastre: Legal, Technical and Environmental Dimensions "Forest Ecosystems".

G.2.5 ORGANIZATION OF WORKSHOPS

- Forest Ecosystem Management and Forest Spatial Informatics
 - Forest Management and Geographic Information Systems.
 - Participation in the organization and equipment of Biometrics - Dendrometry.

G.2.6 OTHER TEACHING EXPERIENCE

At the Agricultural University of Athens, General Department, Computer Science Laboratory, within the framework of the obligations of preparing the PhD Thesis, six years (1999-2006).

Participation in the Teaching of Courses

- Visual Basic 6, Lab
- Windows, Lab
- Word, Lab
- Excel, Workshop.

G.2.7 EDUCATIONAL EXPERIENCE IN I.E.K.

- At the Vocational Training Institute of Karpenisi in the specialty "Forest Protection Specialist", one semester (Winter semester of the educational year 1994-1995).

G.2.9. EDUCATIONAL EXPERIENCE IN INTERNATIONAL SCHOOLS

- John S. Latsis Public Benefit International Summer School, 2011. Mediterranean Agroforestry and its Role in the Present Environmental Challenges.

H. ADMINISTRATIVE EXPERIENCE

H.3.1 PARTICIPATION IN ADMINISTRATIVE BODIES

- President of the Department of Forestry and Forestry of the Agricultural University of Athens.
- Deputy President of the General Department of the Agricultural University of Athens.
- Member of the Senate, the Deanship of the School of Plant Sciences and the Special Fund of the Agricultural University of Athens.
- Director of the Laboratory of Forest Management and Forestry Spatial Informatics.
- Head of the "Forest Resources" Course Group.

- Representative of the Department of Forestry and PPP in the Special Account (ELKE) of the TEI of Central Greece.

I. MEMBER OF SCIENTIFIC AND PROFESSIONAL ASSOCIATIONS

- Member of the Geotechnical Chamber of Greece.
- Member of the Hellenic Forestry Society.
- Member of the scientific association HellasGIS.
- Member of the AUA Faculty Members' Association.

Dr. Spyridon Kaloudis

Professor
