Letter of Recognition

Dear Professor Papafotiou.,

At the meeting held in July 2015 and after deliberations of the School Recognition Panel (SRP) concluded in December 2015 , the IFLA Europe SRP has reviewed information supplied by the Agricultural University of Athens. Clarifications were subsequently sought and received and were considered satisfactory. It is therefore decided that the following programme can be recognised by IFLA Europe.

1. Programme 1– Masters . 2 years, 120 ECTS
Masters in Landscape Architecture (MLA)

Please note that this recognition is for a 5 year period from December 2015. This information will appear shortly on the IFLA Europe Webpage. The SRP report accompanies this letter and contains recommendations which should be enacted as part of any review of course structure and / or curriculum review.

Yours sincerely,

Tony Williams
IFLA (Europe) President
