### Letter of Recognition

Dear Professor Maria Papafotiou,  
Dear Delegate Ms Eleni Athanasiadou,  
Dear President Dr Katerina Gkoltsiou,

IFLA Europe School Recognition Panel has assessed the application of Agricultural University of Athens.

As a result of the assessment process, we find that the educational programme:

- **Master course in Landscape Architecture, 2 years, 120 ECTS.**

is generally fulfilling the criteria<sup>1</sup> for professional educational programmes in landscape architecture and is so forth recognised by IFLA Europe for a period of 5 years (2021-2026).

The SRP report accompanies this letter and contains recommendations which should be enacted as part of any review of course structure and / or curriculum review.

Yours sincerely,

Margarida CANCELA d'ABREU  
Vice President for Education IFLA Europe

---

<sup>1</sup> The criteria are defined in following documents *IFLA Charter for Landscape Architectural Education* and *IFLA Guidance Document for Recognition or Accreditation with IFLA Europe addenda's (attached)*.
