Special Scientific Collaborator and Researcher of X.E.E.E. on the development of the tourism economy and the Greek hotel industry. The scope of work consisted in the preparation of studies on tourism trends worldwide, the formulation of strategies and policies for the upgrading of the Greek tourism and hotel product and the subsequent adaptation of Greek hotels and tourism businesses to the new data, so that Greek tourism can follow the structural developments in the global tourism economy. In the context of my duties, I designed and conducted primary surveys in hotel businesses, I elaborated and formulated working texts on tourism economic policy issues, I provided guidance on planning and strategic policies. I participated in conferences - workshops - working groups as a representative of the hotel industry.

5.1.3 Ministry of Tourism, 2015

(recruitment on the basis of the Government Gazette No 482/ Issue Y.O.D.D./01-07-2015, ID: Ω1ΣΖ465ΦΘΘ-087)

- Special Scientific Associate at the General Secretariat of Tourism of the Ministry of Tourism, on issues related to Greek Tourism and Tourism Enterprises. The scope of work concerned issues (with participation and activation in various inter-ministerial committees and working groups), such as: crisis management during the period of capital controls, investigation of the impact of migration on the islands (in cooperation with the Ministry of Interior), economic and social impact of short-term renting (share economy) on hospitality businesses, reform of the curriculum of OTEK, etc.

5.2 Scientific Responsible in Research Projects of the X.E.E.

Scientific Officer in three research projects implemented during the years 2012- 2023 and funded by National funds.

A. SCIENTIFIC support for THE SUSTAINABLE development AND operation of GREEK HOTELS
(30/12/2022 - today, 13 months)

B. Development & Implementation of a new type of hotel business, the Boutique Hotel, (Research, Design, Development & Implementation) in four Phases:

A1. 23/10/2015-14/01/2018

Investigation of the Development Contribution of a new type of hotel accommodation in Greece: the case of "Boutique Hotels".

A2. 04/06/2018-31/12/2018

Design & Development of a professionally established operating system for "Boutique Hotels" in Greece, as a new component of the Greek tourism and hotel product. A3. 20/02/2019-31/12/2019

The framework for the certification procedure for tourist accommodation establishments for the use of the "Boutique Hotel" label

A4. 09/01/2020-31/12/2021

Development & Implementation of a professionally established "Boutique Hotels" operating system for hotels operating within architectural heritage buildings.

The aim of the project is to define the tourism products that support both the intersectionality of demand and the qualitative upgrading of Greek tourism. The main results of the project are the design and development of a standard and an integrated system of certification of the main hotel accommodation under the Boutique hotel label, which is essentially the professional establishment of the operation of boutique hotels in Greece (duration 45 months and 25 days).

Γ. Development & Development and Operation of Hotel BUSINESSES: exploring the common European

"Hotelstars Union" star rating system AND THE "Hotelstars Union" hotel ranking system
its comparison with the National Ranking System. 17/07/2012- 14/01/2014

Aiming to improve the competitiveness of the Greek hotel industry, to streamline the evaluation process of the hotel services offered and generally to improve the recognition of the hotel product by more visitors - consumers, XEE proceeded to investigate the European system "Hotelstars Union" and its compatibility with the national classification system and the structures of the Greek hotel industry. This project contributed substantially to the institutionalization by the Ministry of Tourism of the new system of classification of hotel businesses in star categories, with emphasis for the first time on the functional specifications (i.e. the services offered). Since July 2015, XEE has been the competent body for the classification of the main hotel accommodation in star categories (article 5, Law 4276/2014 - duration 18 months).

5.3 Researcher in Tourism & Tourism Hotel Business

- 16-07-2012 - 31-12-2021

Research and Experimental Development Services in Economics and Business (72201100) and in the Management, Economics and Operation of Tourism and

Hotel Business. Freelancer with insurance at the Insurance Organization for Freelance Professionals (OAEE) with activities: Business Researcher Services (73201902), Administrative Services related to Tourism (84131600), Tourism Promotion Services (79901100) Professor Services (85591907) and Higher Education Services (85421000).

5.4. Participation in Research Projects

5.4.1 Xenia S.A., 2020-2021

On behalf of Xenia S.A., Real Estate & Tourism Enterprises, I provided scientific support to the action of X.E.E. "Capsule T Travel & Hospitality Accelerator", for the development of start-up tourism businesses in order to enrich the tourism product and strengthen the tourism economy. (duration 12 months)

5.4.2 Institute of Tourism Research & Tourism Research Forecasts (FORTH), 06/2019 - 08/2019

On behalf of FORTH-Institute of Tourism Research & Development Forecasting I have carried out the Study on: Geographical Development and Political Differentiation of Greek Tourism: Design at all Spatial Scales of the Boutique Hotel Quality Standard for Hotels operating within Architectural Heritage Buildings. Design and implementation of a survey with a questionnaire to the members of the register of hotels with a special operating label Traditional accommodation, in order to adapt the Boutique hotel standard to the specificities of this type of main accommodation. (duration 2 months)

5.4.3 LABORATORY of Local AND Island Development, UNIVERSITY OF THE Aegean, 2015 01-10-2014/31-12-2014 & 01-04-2015/31-07-2015

Postdoctoral researcher in research on the creation of mechanisms for scientific monitoring of tourism in the South Aegean region: a. the Sustainable Tourism Observatory for destinations - support for the development of sustainable tourism in the South Aegean and b. drafting of action plans for the development of thematic tourism in the Cyclades, Laboratory of Local and Island Development of the University of the Aegean, NSRF 2007-13. Participation in two sub-projects: a. the Sustainable Tourism Observatory for destinations supporting the development of sustainable tourism in the South Aegean and b. drafting of action plans for the development of thematic tourism for the Cyclades, (duration: 6 months).

5.4.4 Institute of Tourism Research & Tourism Research Forecasts (FORTH), 2015 01-02-2015/31-08-2015

On behalf of FORTH, I participated in the research for the reformulation of the educational programme of the educational programmes of the Ministry of Tourism (OTEK), in the framework of Subproject 15 of the operation technical support for tourism actions for the programming period NSRF 2007-2013, MIS355340 with E.I. Responsible: Director, Professor Gerasimos A. Zacharatos. Participation in the recording of the current situation and in the writing of the deliverable with the proposed scenarios for the reform of the curricula of OTEK (duration 7 months)

5.4.5 TOURISM Information Systems LABORATORY, TEI of Patras, 2013-2015 17-05-2013/30-09-2015

Postdoctoral researcher, Methods of forecasting tourism demand in the region of western Greece and its utilization in the provision of innovative and quality services, Archimedes III, NSRF

2007-13, TEI of Patras. Aim is the development of stochastic and computational methods for the forecasting of tourism demand at various spatial scales, with a special approach to the region of Western Greece. Participation in the design of the research proposal, which was approved for funding after two phases of evaluation. Also in the deliverables: Development of a database for the electronic management and processing of tourism data, participation in the second and third part of a study on the time-spatial evolution and trends of tourism demand in the region of Western Greece (duration: 7 months).

5.4.6 State Scholarship Foundation (IKY), 01-02-2011/31-01-2012

Postdoctoral Researcher, (with an ICF Fellowship), The Emerging Patterns of Concentration & Dispersion of Private Tourism Investment: the Greek Reality, Research & Development Laboratory, Research & Development Laboratory, Fellow, University of Athens, Greece. Tourism Satellite Accounts, University of Patras. In the context of my postdoctoral research, I investigated the main mechanisms and factors influencing private tourism investment in space and time, forming specific patterns of concentration and dispersion of tourism productive capital, in order to formulate as reliable a picture as possible of the temporal evolution of tourism concentration and development in Greece. (duration 12 months)

5.4.7 UNIVERSITY OF Patras, 2006 01-04-2006/30-04-2006

Researcher, Analysis of International Developments and Practices as well as of the Special Characteristics of Greek Tourism and its Contribution to the Competitiveness of the Country, University of Patras, Funding: Association of Greek Tourism Enterprises. (duration 1 month).

5.4.8 Research & TOURISM Satellite Accounts, UNIVERSITY OF Patras, 01-11-2003/31-11-2006

Principal Investigator of Basic Research of the "K. KARATHEODORI" Project on: the comprehensive mapping and inventory of tourism resources at national, regional and local level in the form of a Geographical Database, Research Laboratory & Tourism Satellite Accounts, University of Patras, University of Patras, University Research Committee. As a Principal Researcher (on a monthly fee) I was responsible for data collection, design and development of a database on tourism resources at the spatial scales of the country. The database includes the following nine themes: 1. demographic & economic data, 2. natural resources & protected areas, 3. cultural & heritage resources, 4. tourism demand, 5. tourism supply, 6. tourism investment, 7. tourism education, 8. tourism organizations - tourism institutions at national and regional level. Publications and Presentations in International Conferences and Scientific Journals. The database supported the following research projects, actions, theses and dissertations of the EREDOLOT laboratory (duration 36 months)

5.4.9 Employment OBSERVATORY of Achaia, 2003 01-03-2003/31-05-2003

Researcher, Development potential and employment in Achaia, University of Patras, Funding: Employment Observatory Research Informatics. The aim was to use the results of the research to identify vacancies and the need for new skills in the prefecture of Achaia, as well as to define policy proposals for the labour market. Participation in the survey with questionnaires in the enterprises of Patras and in the writing of the documentation text. (duration 3 months)

5.4.10 Association of GREEK TOURISM Enterprises, 2002 01-04-2002/31-12-2002 Researcher, Employment in Greek Tourism: Hotels, Agencies and Catering Subsectors. The aim of the research was to highlight the particular importance of tourism and the hotel industry in the creation of new jobs, calculating direct and indirect employment in the tourism sector (duration: 9 months)

5.4.11 UNIVERSITY OF THE Aegean, 2002 01-04-2001-31-07-2001

Preparation of an economic and technical study on "Development of a tourist unit in the area of Agia Ermioni, Chios". D.P.M.S. "Planning, Management and Policy of Tourism", Aegean University, Chios. (duration 4 months)

5.4.12 UNIVERSITY OF THE Aegean, 2001 01-01-2001/31-11-2001

Researcher, Tourism Promotion and Exploitation of the Mastic Museum, Laboratory of Tourism Research & Development Studies of the University of the Aegean and Chios Masticho Producers Association Funding: Ministry of Agriculture, LEADER II. The aim was to rescue, maintain and restore the old facilities and machinery for the processing and production of Mastic products and to create a museum on the premises of the Association in the town of Chios. (duration 11 months)
